-
1. If a player uses an illegal bat and gets a hit with such bat, then that player will be declared as being out and any runners will return to the base they were occupying at the time of the pitch.
 2. The out is only specific to the time the illegal bat was discovered
 3. For a second violation in the same game the head coach will be ejected
 4. It is possible for a bat to be not allowed by one entity (such as IESA and SIJHSAA don't allow bats stamped by USSSA) yet be legal under another entity (we allow bats stamped USSSA)
